Final Order of Election Commission on delimitation of Gram Panchayat, Panchayat Samiti and Zilla Parishad constituencies in the South Andaman District and Nicobar District (Campbell Block) for the forthcoming election

Draft delimitation proposals in respect of Gram Panchayat, Panchayat Samiti and Zilla Parishad constituencies in the South Andaman District and Nicobar District (Campbell Bay Block) were notified on 14.05.2015 by the Election Commission in exercise of powers under section 11 (3) & 11 (4), section 107 and section 145 of the Andaman and Nicobar Islands (Panchayat) Regulation, 1994 read with rule 7(1) & (2) of the Andaman and Nicobar Islands (Panchayat) (Preparation of Electoral Rolls and Conduct of Elections) Rules, 1995. Suggestions and objections were invited upto 25.05.2015.

In all, twenty one objections and suggestions from various persons and political parties were received by the due date. All the objections and suggestions received have been duly considered by the Election Commission.

Three suggestions/objections were received from Little Andaman Block, which were mainly for creation of a new Gram Panchayat. The objections have been considered in light of the provisions of the Andaman and Nicobar Islands (Panchayat) Regulation, 1994 and the rules made thereunder. The powers for creation of a new Gram Panchayat vest with the Lt. Governor (Administrator). These objections, therefore, do not fall in the purview of the Election Commission, hence, the objections could not be considered by the Election Commission.

Only one suggestion/objection from Campbell Bay Block was received. Since the objector, i.e. Pradhan, Gram Panchayat Govind Nagar, was available in Port Blair, she was given a hearing in Port Blair. The objector conveyed that the Gram Sabha of Govind Nagar Gram Panchayat had resolved that it does not want its ward No. 6 to be merged with Campbell Bay Gram Panchayat under any circumstances, and, if this is done, it would be a great disservice to them. The Pradhan, Campbell Bay Gram Panchayat, also then came to Port Blair. He has agreed to the retention of Ward No. 6 in Govind Nagar Gram Panchayat but requested that the number of wards in Campbell Bay Gram Panchayat be reduced from 11 to 10 as the wards are already too small. The Commission finds this request to be reasonable as the reduction in number is only to rationalize the wards with the population more equalitably. Since there is no change in the revenue villages proposed in the arrangement and in pursuance of the detailed discussions with the Pradhan, Campbell Bay Gram Panchayat, and Pradhan, Govind Nagar Gram Panchayat and other representatives from both the Gram Panchayats, the suggestion has been accepted by the Election Commission in the larger interest of the residents. The changes in the textual boundaries and maps of both the Gram Panchayats have been incorporated. The Deputy Commissioner, Nicobar District, is being asked to reduce the number of seats of Campbell Bay Gram Panchayat on the request of the residents of Campbell Bay Gram Panchayat.

For Ferrargunj Block, seventeen persons filed their objections relating to delimitation of Gram Panchayat, Panchayat Samiti and Zilla Parishad constituencies in Ferrargunj Block. These objections/suggestions are summarised below in five broad categories:-

- (i) Six objectors demanded that the Muslim Basti under Mithakhari Gram Panchayat should be brought under Tushnabad Gram Panchayat because of its closer proximity to Tushnabad Gram Panchayat. One objector demanded

that Kurmadera, Mahuadera, Sunset Bay and Balughat revenue villages be relocated from the newly created Collinpur Gram Panchayat to Tushnabad Gram Panchayat.

- (ii) Two objectors demanded the distribution of voters amongst different constituencies of Gram Panchayats to make them more equitable and rationalized.
- (iii) One objector demanded that door-to-door survey may be done to prepare new electoral rolls.
- (iv) Two objectors demanded creation of an additional Panchayat Samiti in Ferrargunj Block because this block has a much larger number of Gram Panchayats, i.e., 19, as compared to other blocks in the Islands. Moreover, the population of this Panchayat Samiti is also much higher.
- (v) Six objectors demanded that allocation of Zilla Parishad constituencies under the Ferrargunj Block be rationalized by having a more equitable clubbing of Gram Panchayats in determining the Zilla Parishad constituencies.

The Commission heard all the objectors present in the public meeting held at Panchayat Samiti Hall, Ferrargunj on 29.05.2015 and after due consideration and keeping in view the provisions of Regulation/rules governing the delimitation, the Commission has decided as under:

The shifting of Muslim Basti from Mithakhari Gram Panchayat to Tushnabad Gram Panchayat could not be considered as the Lt. Governor (Administrator) vide Notification No.63/2015 dated 27.04.2015 has already specified the composition of Tushnabad Gram Panchayat on the basis of the revenue villages of Hobdyapur and Tushnabad. The Muslim Basti revenue village continues to be part of Mithakhari Village (Gram Panchayat). This incidentally was also desired by the residents of Muslim Basti who had come for the public hearing in large numbers to emphasize that they wished to remain with Mithakhari Gram Panchayat. The Election Commission felt that there was therefore no ground to consider the shifting of Muslim Basti from Mithakhari Gram Panchayat. Similarly shifting Kurmadera, Mahuadera, Sunset Bay and Balughat revenue villages from the newly created Collinpur Gram Panchayat to Tushnabad Gram Panchayat did not have any valid basis. The Commission, therefore, did not accept the suggestion.

As regards the suggestion for distribution of population among different wards of Gram Panchayats, the Commission has agreed to the suggestions and incorporated the changes to the extent possible.

Regarding the suggestion of door-to-door survey for preparation of electoral rolls for Panchayats, it was explained to the objector that the Commission takes the Parliamentary electoral roll as the mother roll for Panchayat elections and the same would be published for inviting suggestions and objections. The objectors could file their objections/suggestions whenever the schedule for revision of electoral rolls is published.

The Commission also heard the objectors for creation of additional Panchayat Samiti for Ferrargunj Block and redistribution of Zilla Parishad constituencies. The Commission has observed that there is an overwhelming demand for an additional Panchayat Samiti for Ferrargunj. Considering this, the Commission would refer the matter to the A&N Administration for taking a view in this regard.

Regarding the suggestions of allocation of Zilla Parishad constituencies in Ferrargunj Block, the Commission heard the objectors and after discussion agreed to the suggestions to the extent that Kanyapuram Gram Panchayat be clubbed with Bindraban Gram Panchayat for the Zilla Parishad Member constituency. The public were satisfied with this arrangement and no further changes were required.

After due consideration of the suggestions, the Election Commission modifies its notification of draft proposals for the delimitation of Gram Panchayat, Panchayat Samiti and Zilla Parishad constituencies and hereby orders the final delimitation of Gram Panchayat, Panchayat Samiti and Zilla Parishad constituencies under South Andaman District and Nicobar District (Campbell Bay Block) as detailed in Annex-II.

Final Order of Election Commission on delimitation of Gram Panchayat, Panchayat Samiti and Zilla Parishad constituencies in the North & Middle Andaman District for the forthcoming election

Draft delimitation proposals in respect of Gram Panchayat, Panchayat Samiti and Zilla Parishad constituencies in the North & Middle Andaman District were notified on 14.05.2015 by the Election Commission in exercise of powers under section 11 (3) & 11 (4), section 107 and section 145 of the Andaman and Nicobar Islands (Panchayat) Regulation, 1994 read with rule 7(1) & (2) of the Andaman and Nicobar Islands (Panchayat) (Preparation of Electoral Rolls and Conduct of Elections) Rules, 1995. Suggestions and objections were invited upto 25.05.2015.

In all three objections/suggestions, one each from Diglipur, Mayabunder and Rangat Tehsils respectively, were received by the due date. These three objections and suggestions received have been duly considered by the Election Commission.

The Pradhan, Kalighat Gram Panchayat, Diglipur Tehsil had requested to exclude Nishchintpur Village from the Kalighat Gram Panchayat as this village already has road connectivity and electricity supply from the Nabagram village side. The Commission examined the objection/suggestion and found that the Nishchintpur village is adjacent to Kalighat village and the distance from the Nishchintpur village to Kalighat Gram Panchayat office is only 03 kms., while it is 07 kms. from the Nabagram Panchayat office. The objection of the Pradhan Kalighat Gram Panchayat was overruled as the people of the Nishchintpur village had themselves asked to be attached to Kalighat Gram Panchayat in view of the proximity to Kalighat village which made it easier to meet their daily requirements from the Kalighat bazaar area.

The Pradhan Gram Panchayat, Harinagar, Mayabunder Tehsil, had requested that an additional ward from Pinakinagar Ward No.1 & 2 be carved out, but that would require an additional seat. As determination of seats is not under the purview of the Election Commission, this objection/suggestion of Pradhan could not be considered by the Commission.

The Tehsildar, Rangat had informed that the names of constituencies of Uttara Gram Panchayat had erroneously been published in the draft proposal and this may be corrected. The Commission has accepted the suggestion and rectification has been made accordingly.

Consequent to this consultation, the Election Commission modified its notification of draft proposals for the delimitation of Gram Panchayat constituencies. The constituencies of Panchayat Samitis and Zilla Parishad in North & Middle Andaman published in the draft proposal remain unchanged. The Election Commission hereby orders the final delimitation of Gram Panchayat, Panchayat Samiti and Zilla Parishad constituencies under North and Middle Andaman District as detailed in Annex-II.
